LATIN AMERICA

NR [redacted]

-- Argentine Interior Minister Harguindeguy called in the Associated Press Buenos Aires bureau chief this week, apparently to warn him to be careful in the pursuit of human rights stories. The former editor of La Opinion, Jacobo Timmerman, meanwhile, was placed under the Institutional Responsibility Act. This means that he loses all civil rights and can be held in jail indefinitely. For the second consecutive week the government confiscated an issue of the weekly newspaper Correo de la Semana.
